

# Accompanied Adventures 2020

7 - 13 September

Camping, Namatjira Country, Tjoritja, Gorges & Desert

**The unique atmosphere of Mparntwe (Alice Springs) with the colour & excitement of Desert Mob (September). Learn about this region in both current, and historic contexts by engaging with contemporary art against a backdrop of ancient land, guided and facilitated with care and passion.**

In conjunction with Alice Springs Expeditions, Sydney artist Ingrid Bowen invites you to a Central Australian experience designed with a great balance of adventure, culture & comfort. Stunning ancient geological wonders, the vibrancy of contemporary Aboriginal art, with everything taken care of, and plenty of time to observe and absorb unforgettable art and places

- Seven days/six nights fully inclusive small group guided touring with a dedicated host and expert local guide
- All accommodation & most meals, transport, equipment, entrance fees & activities (flights & alcohol not included)
- Small group ensuring a bespoke experience
- Visit Aboriginal art events, galleries & centres as permitted
- Flexible down time for your own project or creative practice
- On and off road quality vehicle touring to beautiful locations in order to engage with, and immerse yourself in the landscape

**The September adventure is timed to coincide with 'Desart' - the largest and most dynamic contemporary Central Australian art exhibition and marketplace.**

**September also typically affords perfect weather for camping, in the most scenic, silent gorge on beautiful Ellery Creek. Feel the benefits of being off grid sleeping under the stars in supremely comfortable swags. There are no bathroom facilities at our special camping spot, but we will make it as comfortable for you as possible.**
